

# VINYL MAT CARE GUIDE

To keep your rug looking its best for as long as possible we have created some top tips on how to care for your new PractiMat Vinyl mat

## Vinyl Mat – good to know

From muddy paws to accidental spills, a wipeable mat can shrug off whatever busy homes throw at it.

An ideal addition for injecting an easy-clean, added layer of comfort to on-the-go homes.

## Un-rolling your rug

To help your mat lay flat, unroll your mat, flip over, re-roll and leave in a warm room for 24 hours.

This will help reduce any wrinkles from packing.

## Day to day care

Everyday dust and dirt are easy to clean from a vinyl mat. Simply shake or sweep your mat to dislodge any debris.

## Spills

Wipe clean any spills with a damp, white cloth. Avoid the use of hard chemicals or bleach. Not suitable for washing machines or tumble dryers.

## Long term care

Turn regularly to ensure even wear and to reduce moisture from building up under the mat.
