Safety advice

IMPORTANT - The first step you need to take is to ensure your safety! Please take the time to read and understand these instructions before assembling your furniture.
Please keep these instructions for future reference.
Keep children and animals away from the assembly area. This furniture contains small parts that could cause choking if swallowed.
Keep all plastic wrapping materials away from babies and children to avoid danger of suffocation.
Ensure that all packaging is disposed of carefully and responsibly.
From time to time check that there are no loose fittings on the unit, re-tighten when necessary.
Two people may be required for the assembly of this product.
Once items are part or fully assembled, they are not returnable unless faulty.
This item is not for outdoor use – unless stated otherwise.
Some items will be supplied with a wall fixing strap, which we recommend is used to secure the item to the wall, to prevent a child from accidentally pulling furniture over. Furniture can be dangerous if incorrectly installed. Assembly should be carried out by a competent person. No liability will be accepted for damage or injury caused by incorrectly installed or assembled furniture.
