

# WASHABLE MAT CARE GUIDE

To keep your mat looking its best for as long as possible we have created some top tips on how to care for your new PractiMat Washable mat

## Washable Mat – good to know

From muddy paws to accidental spills, a washable mat can shrug off whatever busy homes throw at it. An ideal addition for injecting an easy-clean, added layer of comfort to on-the-go homes.

## Day to day care

Everyday dust and dirt are easy to clean from a washable mat. Simply shake or beat your mat to dislodge any debris and gently vacuum with the nozzle attachment.

## Un-rolling your rug

To help your mat lay flat, unroll your mat, flip over, re-roll and leave in a warm room for 24 hours. This will help reduce any wrinkles from packing.

## Spills

Act fast and blot liquid spills immediately. Spot clean as needed with a dry white cloth only. Pop in the washing machine on a gentle cycle at 30 degrees.

## Loose ends

Snip any loose fibres carefully with scissors – never pull.

## Long term care

Rotate every 3 months to avoid uneven fading and wear.
