WARNING: WALL STRAP INFORMATION

- The wall strap is only intended to be used with the Babymore product that is supplied with.
- Never attempt to modify or change the wall attachment strap in any way. Never use any other fitting for attaching the strap to your furniture than those supplied.
- Never use the screw provided to attach the strap to the wall. No wall attachment fitting is supplied. This is because the type of fitting required to attach the strap to the chosen wall is determined by the composition of wall. If you are in any doubt about the correct type of fittings to use, consult a professional before attempting to attach the strap to the wall.
- The wall strap must not be used to replace any other fitting supplied with your furniture.
- Furniture falling over is generally due to the surface the furniture is placed on. A warped floor or wall-to-wall carpeting will enable the furniture to rock, so greatly increasing the potential for the furniture to fall. If the furniture is placed on a flat level wood or tiled floor the risk is reduced, but we still recommend the wall strap is fitted.
