ASSEMBLY INSTRUCTIONS

(Assembly will be easier with 2 people – only connect parts loosely until assembly is complete, then tighten once the bench is standing squarely)

STEP 1:

Loosely connect the left and right leg sections to the back section using 4 x longer nuts, bolts & washers marked E on the Contents.

STEP 2:

Loosely connect the seat section to the assembled leg sections using 4 x shorter nuts bolts & washers marked D on the contents. The seat will not fit if the legs are the wrong way round if this happens swap the legs.

CARE AND MAINTENANCE

- This set has been tested for a maximum load of 110 kg static weight only.
- Under no circumstances should you abruptly sit or jump on the Bench.
- Do not stand or kneel on the Bench.
- Please check all the assembly work before you sit on the bench.
- Make sure all the screws and bolts are tightened properly.
- Periodically check all fixings to ensure they remain secure.
- Prolonged exposure to the elements will inevitably lead to weathering, although this may be considered a feature, original or alternative colours can be achieved by appropriate application of any outdoor paint suitable for metal.
- Store away indoors throughout winter to preserve appearance.
- Clean using a mild detergent – do not use abrasive cleaners
- When sitting in the Bench do not lean back and put excessive pressure on the back rest.
- Keep all four bench legs on the floor when using the bench.
