Set Up

AXEL 4 DRAWER CHEST-OAK ASSEMBLY INSTRUCTIONS

**IMPORTANT - READ CAREFULLY - RETAIN THESE INSTRUCTIONS
FOR FUTURE REFERENCE.**

INFORMATION

- Due to the size of this product we recommend that it is assembled in the room intended for use.
- When you are ready to start, make sure that you have the right tools, plenty of space and a clean, dry area for assembly.
- Unwarp all packaging materials and place the components on top of the carton box or on a clean floor to prevent it from scratching.
- Check the pack and make sure you have all the parts listed .
- Ensure that this product is fully assembled as illustrated before use.
- Check all screws or bolts are tightened and inspect regularly.
- This product should only be used on firm,level ground.
- Keep small parts out of reach of children.
- Make sure the legs remain in contact with the ground.
- Tools not included.

WARNING

- Keep small parts out of reach of children.
- Make sure the legs remain in contact with the ground.
- DO NOT use power tools to construct this product.
- DO NOT tighten screws until fully assembled.
- DO NOT over tighten screws or bolts.
- DO NOT use this product if parts are missing, damaged or worn.
- DO NOT stand on the product.
- DO NOT place very hot or very cold items on the surface unless adequately thick tablemats are use to prevent such items damaging your table top.
- Incorrect installation could lead to injury, take care following instruction.
- Take care when adjusting positions to avoid trapping of body parts.
- We recommend the use of wall safety bracket provided for safety reasons.
- Wall fixings suitable for a solid wall are included although the wall plug provided may not be suitable for another type of walls such as hollow walls.
- Fixings suitable for your wall types must be obtained separately.
- If in doubt please consult a qualified trade person.
- Always ensure the area to be drilled is free from hidden electrical wires,water and gas pipe.
- It is essential that this unit is fixed to a wall with the fixing provided.

CARE INFORMATION

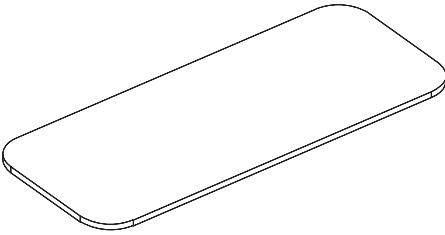

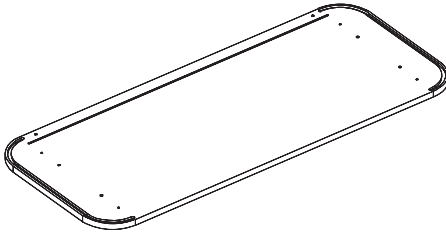

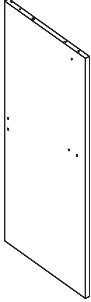

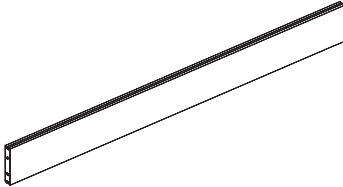

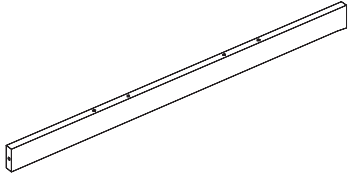

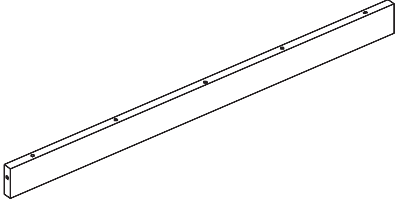

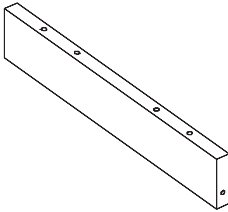

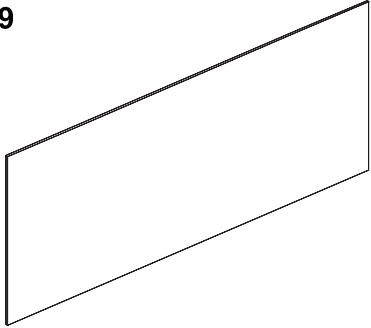

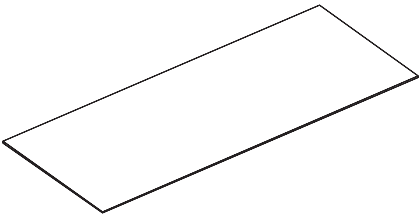

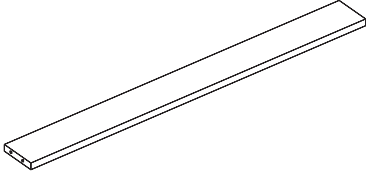

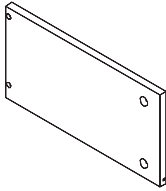

- Never use scourers, abrasives or chemical cleaners.
- To clean wipe with a sponge and warm soapy water. Do not use solvent based cleaners or detergents as they can bleach or damage the product.
