

TWO TIER BRASS DISH DRAINER WITH CERAMIC HANDLES 31043113

Assembly & Care Instructions

www.dunelm.com

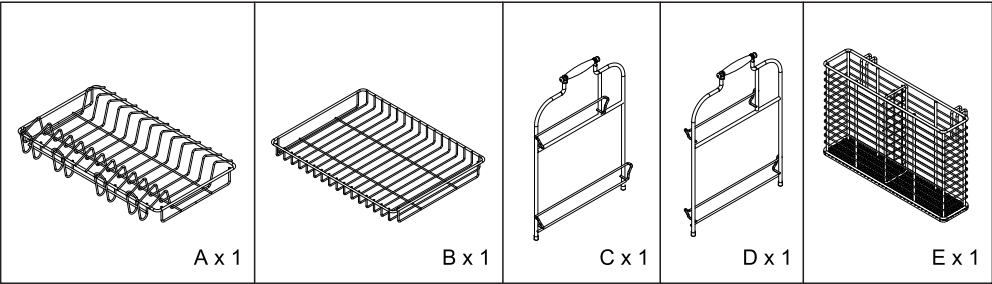

1. Check you have received all parts listed on the component and hardware pages and the correct quantity of each. Beware that sometimes parts are packaged within the product so not immediately visible after opening. Please check the assembly section for more details. If anything is missing, stop assembling the product and contact our customer service team.
2. Check all parts are intact and undamaged. Any issues, stop assembling the product and contact our customer service team.

Safety advice.

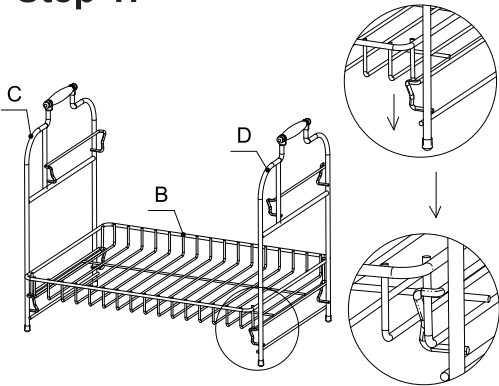

Dear Customer

- **IMPORTANT** - The first step you need to take is to ensure your safety! Please take the time to read and understand these instructions before assembling the product.
- Please keep these instructions for future reference.
- This item is intended for indoor use only - unless otherwise specified. Avoid exposure to humid conditions.
- Assembly to be carried out by a competent adult only.
- During assembly children should be kept away from the product due to possible risk of injury. The product may contain small parts that could also cause choking if swallowed.
- Regularly check all fastenings to ensure that they are properly tightened.
- Restrain children from climbing or playing on or around the product.
- Ensure that all packaging is disposed of carefully and responsibly. Please recycle where possible.
- Once items are part or fully assembled, they are not returnable unless faulty.

Step 3:

Step 4:

Metal Care

- **DO** use a clean, dry cloth to dust the surface.
- **DO** use a clean cloth with soapy water to clean stubborn marks, using a dry cloth afterwards to remove any smears.
- **DO NOT** use abrasive cleaners or cloths as these can scratch the surface of the metal.
- **DO NOT** use chemical cleaners or polishes on any metal.
- **DO NOT** leave water standing on metal as rust may occur.
