Office Chair

Assembly & Care Instructions

1. Check you have received all parts listed on the component and hardware pages and the correct quantity of each . Beware that sometimes parts are packaged within the product so not immediately visible after opening . Please check the assembly section for more details . If anything is missing , stop assembling the product and contact our customer service team .
2. Check all parts are intact and undamaged . Any issues , stop assembling the product and contact our customer service team .

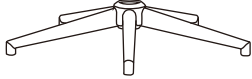

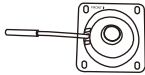

Safety advice.

Dear Customer

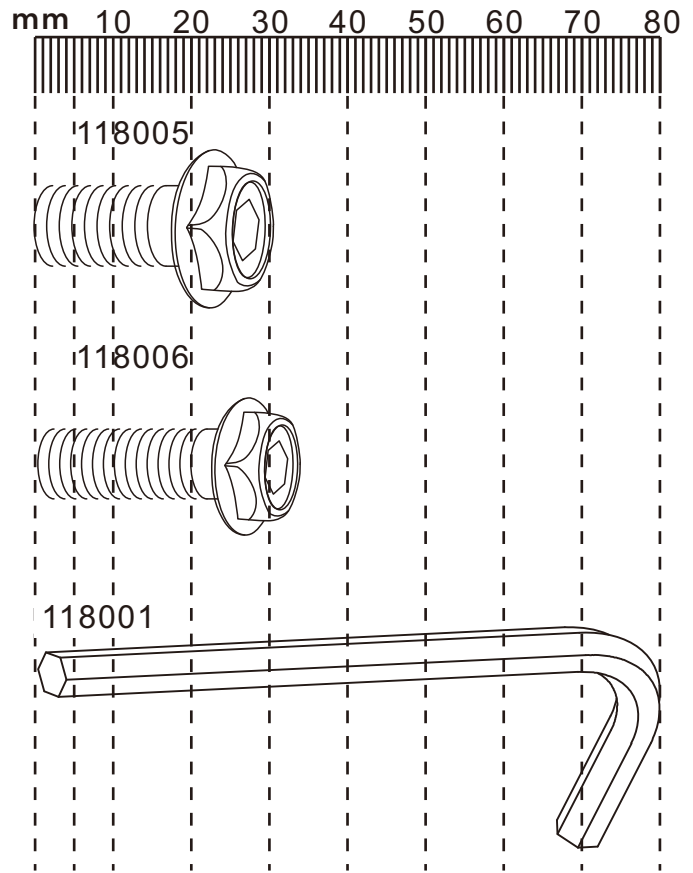

- **IMPORTANT** - The first step you need to take is to ensure your safety ! Please take the time to read and understand these instructions before assembling the product .
- Please keep these instructions for future reference .
- This item is intended for indoor use only - unless otherwise specified . Avoid exposure to humid conditions .
- Assembly to be carried out by a competent adult only .
- During assembly children should be kept away from the product due to possible risk of injury . The product may contain small parts that could also cause choking if swallowed .
- Products can be dangerous if incorrectly installed or assembled . Assembly should be carried out by a competent person and instructions followed . No liability will be accepted for damage or injury caused by incorrectly installed or assembled products .
- Never use an electric drill to assemble a product , as this can cause damage to parts .
- Regularly check all fastenings to ensure that they are properly tightened .
- Restrain children from climbing or playing on or around the product . Always consider where products are positioned to ensure children cannot get access to long cords or windows .
- Some products will be supplied with anti - tip kits which should always be used to secure the product to the wall and prevent tipping .
- Keep all plastic wrapping materials away from babies and children to avoid danger of suffocation .
- Ensure that all packaging is disposed of carefully and responsibly . Please recycle where possible .
- Once items are part or fully assembled , they are not returnable unless faulty .

Assembly instructions.

	<p>ALWAYS lay each panel down on a clean and level area, ideally in the room of intended use, ensuring there is enough room to maneuver around the item.</p>
	<p>NEVER pull furniture into place as this causes damage to the internal structure and feet fixings. Always lift to move.</p>
	<p>NEVER flip your upholstery allowing corners to hit the floor as structural damage can be caused. Always turn gently.</p>
